

SQUAMISH YOUTH SOCCER ASSOCIATION

SPONSORSHIP OPPORTUNITIES FOR COMMUNITY MEMBERS

The Squamish Youth Soccer Association (SYSA) is a volunteer, not for profit, local organization with the objective of providing local youth from the ages of 5 – 18 yrs, the opportunity to play soccer.

We strive to provide this opportunity for all children in the Corridor, regardless of their financial situation, by keeping the fees modest for local families, and we subsidize any player with financial need.

We believe that organized sport gives our children the opportunity to benefit from play, teamwork, fitness, direction, social skills and confidence.

We rely heavily on our volunteer coaches and parents, and supportive community members.

We currently have 92 teams, and annually average 1000 players per season. Multiply this number by family units, and you have a minor sport that involves nearly 1/3 of the total local population. This puts Youth soccer in Squamish at three times the number of players compared to towns of the same size or larger.

We believe sponsorship in SYSA supports the youth of this community, and makes the community as a whole stronger.

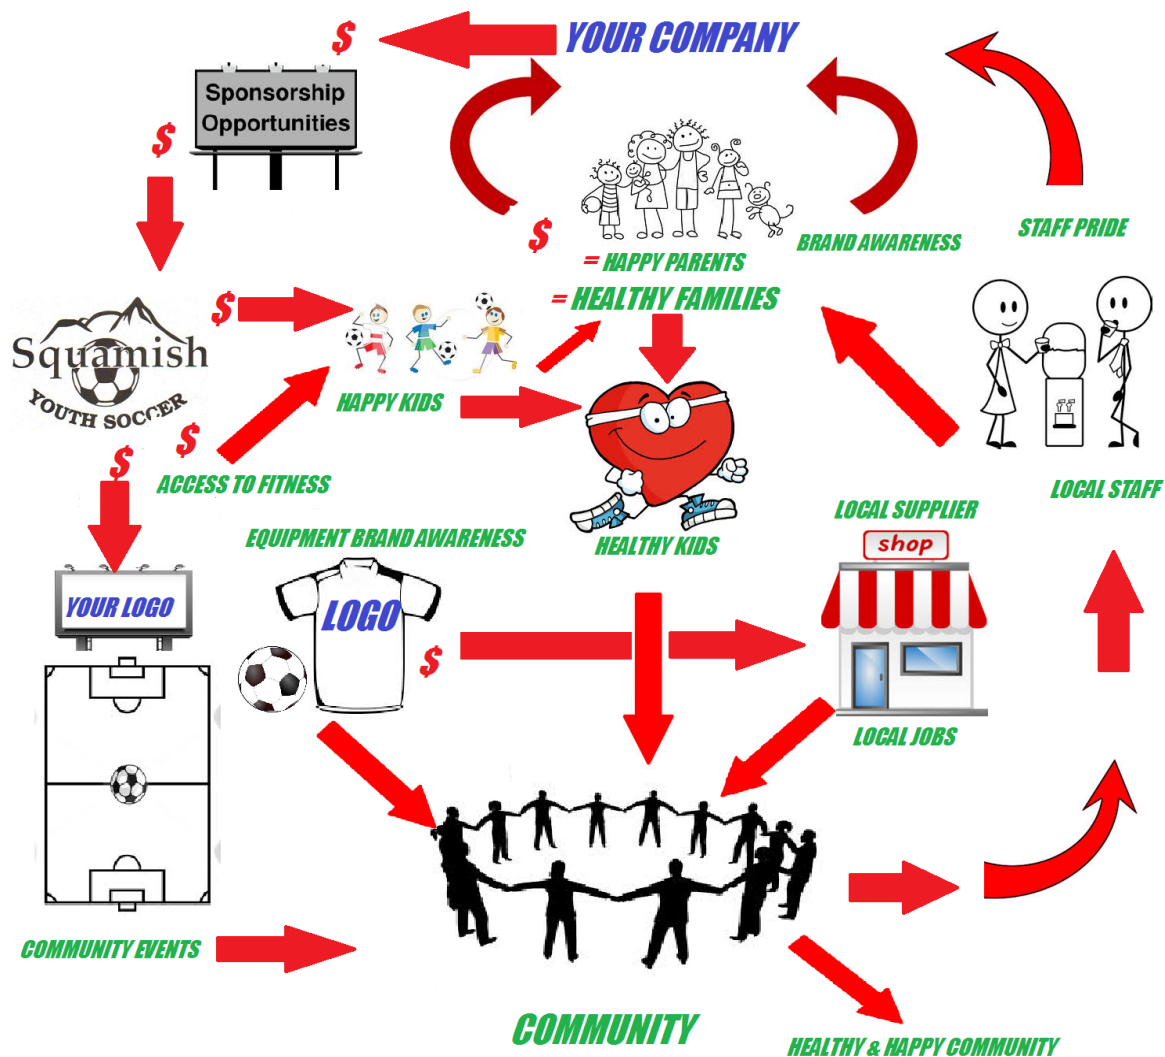

We respectfully ask that you consider participating as a sponsor in SYSA, and have various opportunities attached.

Please feel free to contact the volunteer executive board with any questions
